The Atlantic Immigration Pilot is a three-year employer-driven immigration program aimed at addressing skill gaps and labour market needs in the four Atlantic Provinces.

Designation is the first step for an employer interested in participating in the program. The designation process is designed to confirm that:

- The Atlantic Immigration Pilot is the immigration program best suited to address the employer's needs;
- The employer wants to hire full-time, non-seasonal international candidates;
- The employer and their business is established and in good standing as per the program guidelines;
- The employer has demonstrated their preparedness to receive and meet the settlement needs of international candidate(s) and accompanying family members, and has agreed to do so.
- The employer understands and agrees to the reporting requirements for the program.

Complete this form if you are interested in being designated to participate in the Atlantic Immigration Pilot. You are required to complete this designation once, before accessing the pilot. Future use of the pilot will be supported by your initial designation, provided it remains valid. Refer to the Guidelines for Designation and Endorsement for further information on completing this form.

COMMITTMENT TO SETTLEMENT SUPPORTS

A distinguishing feature of the Atlantic Immigration Pilot is the increased role of the employer in the settlement and retention of newcomer employees and their families, in coordination with a federally or provincially funded immigrant settlement service provider(s). Employers are required to commit to the three settlement-related obligations below:

1. **Collaboration with an immigrant settlement service provider**: Provide the name and contact information of the immigrant settlement service provider(s) that you have contacted in your community or region. See list of federal- and provincial-government-funded immigrant settlement service provider(s) attached; if the preferred service provider in your community/region is not on the list, provide details and explanation.

2. **Commitment to support newcomers’ access to settlement services**: Designated employers are expected to support employees and their families to access settlement services to address the needs identified in the pre-endorsement needs assessment. This will include access to settlement services in the official language of the employee’s choice where services are available in that language. In addition, employers may be required to provide resources – including financial – to meet the costs associated with the provision of settlement support services for newcomer employees and their families.

3. **Commitment to foster a welcoming workplace**: To maximize the benefits of a diverse workforce, designated employers are expected to demonstrate that their workplace is prepared for the arrival of a newcomer employee(s). Activities leading to welcoming workplaces may include employee and management participation in culture and diversity awareness training (at the employer’s own cost) as well as mentoring programs that match newcomer employees with existing employees.
EMPLOYER DECLARATION

As the employer, I am prepared to:

- Report on the number of foreign nationals recruited under the Atlantic Immigration Pilot, their employment status, details on their position/wage/hours, and the settlement supports provided to them for up to three years after you hired them, or the duration of their employment, whichever is less.
- Comply with the IRPA, IRPR, the Province’s labour standards and Occupational Health and Safety legislation as well as applicable federal labour legislation for federally regulated companies.
- Fulfil my obligations to partner with an immigrant settlement service provider, ensure that the workplace is welcoming to newcomers, including providing workplace cultural sensitivity and awareness training if an immigrant settlement service provider has deemed it appropriate or necessary, and provide support and pay for settlement services for newcomer employees and their family members as stated in the commitment to settlement supports section above.
- Provide further information as requested by the Nova Scotia Office of Immigration.
